Dear Friends,

It gives us great pleasure to invite you to the Third Edition of the Bangalore Knee Conference (BKC 2025), to be held on November 22nd and 23rd, 2025, in Bangalore. This year, our theme is “Arthroscopy meets Arthroplasty,” reflecting the rapidly evolving landscape of knee surgery and the growing need for precision, innovation, and multidisciplinary collaboration.

BKC 2025 promises to be a comprehensive academic feast, featuring 10+ relive/inbox surgeries, including cutting-edge procedures in osteotomy, arthroscopy, and robotic knee replacement. Day 1 will focus on Osteotomy and Arthroscopy, while Day 2 will showcase Robotic Partial and Total Knee Replacement surgeries. Participants can look forward to expert-led seminars and lectures, Instructional Course Lectures (ICLs), industry-led breakout sessions, and hands-on training opportunities.

The conference will serve as a dynamic platform to engage with eminent faculty from across the country, explore new techniques, and gain practical insights into managing complex knee conditions.

We cordially invite you to be a part of this enriching experience — to connect, learn, and contribute to shaping the future of knee care.

Looking forward to welcoming you to Bangalore Knee Conference 2025.

Warm regards,

PATRONS
